* MCCPs are not listed as SVHCs, but are likely to have similar characteristics as SCCPs and are thus likely to be harmful to health and environment. They are currently under assessment as PBT but no communication duty applies yet.

** DINP and DIDP are not listed as SVHCs but are restricted in children's articles (REACH Annex XVII Entry 52)

Red = Not marketable on EU market

Orange = Duty of information according to REACH article 33

Italics = Not yet classified as an SVHC
